The Qualities and Elements

The signs of the zodiac are grouped into two basic categories. These are known as the Qualities and the Elements. The Qualities describe fundamental modes of activity and the Elements describe temperament. There are three Qualities: Cardinal, Fixed & Mutable and four Elements: Fire, Air, Earth & Water. Your horoscope has varying degrees of each Quality and Element. The percentages you have of each will determine their importance in your life. The higher percentages will be more powerful in your life, the lower percentages will be less powerful.

The Qualities

17% Cardinal

The Cardinal signs are Aries, Cancer, Libra & Capricorn. The more planets you have in any of these signs the more Cardinal you are:

Cardinal people are action oriented and initiating. They are interested in promoting change and bringing new things into the world. They are direct, assertive and like to take charge of situations. They are ambitious, independent and dislike being supervised. They are good at starting projects, but not so good at completing them. They have abundant enthusiasm and are very resourceful. Cardinal people generally don't hold grudges.

50% Fixed

The Fixed signs are Taurus, Leo, Scorpio & Aquarius. The more planets you have in any of these signs the more Fixed you are:

Fixed people are persevering and enduring. They achieve results in life through determined and persistent effort. They tend to do one thing at a time and are extremely practical in their approach to everything. They are not easily influenced by others and can be quite firm or stubborn once their minds are made up about something. They tend to hold onto things and are reluctant to change. They are staunch, but they can also be inflexible and at risk from becoming set in their ways.

33% Mutable

The Mutable signs are Gemini, Virgo, Sagittarius & Pisces. The more planets you have in any of these signs the more Mutable you are:

Mutable people are the most flexible of the three types. They are able to go with the flow. They are changeable and adaptable, but also indecisive and restless. They are sensitive to the opinions of others, but they can also be impressionable and easily influenced by environmental circumstances. Mutable people lack the stubbornness of the Fixed signs and the forcefulness of the Cardinal signs, which makes them good mediators and go-betweens.

The Elements

25% Fire

The Fire signs are Aries, Leo & Sagittarius. The more planets you have in the Fire signs the more pro-active and self-determining you are:

The Fire signs go for freedom of action and power. They strive for recognition in life. They are out-going and enthusiastic, adventure seeking and powerful. They can also be impatient and bossy, willful and reactive, especially when they face delays or obstructions in their path.

17% Earth

The Earth signs are Taurus, Virgo & Capricorn. The more planets you have in the Earth signs the more practical and needful of security you are:

The Earth signs seek material security. They are down-to-earth, pragmatic, cautious, sensible and conservative. Hard-working and industrious, Earth signs are able to put into effect the ideas and inspirations of the other signs. They can be accumulative, possessive and overly materialistic. They are also sensual and pleasure seeking.

42% Air

The Air signs are Gemini, Libra & Aquarius. The more planets you have in the Air signs the more pro-active and self-determining you are:
